

Advancing
the management
and maintenance of
low volume roads across
the Northern Periphery

Demonstration Projects

A programme of local demonstration of ROADEX methods on the Local Partner areas to have them used in practice to demonstrate what they can achieve.

Funded by the local Partner, supported by ROADEX

6 groups managed by a lead manager:

- D1 – Drainage Maintenance Guidelines
- D2 – Road friendly vehicles and Tyre Pressure Control
- D3 – Forest Road policies
- D4 – Rutting, from theory to practice
- D5 – Roads on Peat
- D6 – Health and Vibration
